

## General Information

### Counseling (Personal, Pre-Marriage, Marriage)

Chaplains are available to give individual counseling to Active Duty military and their families. Counseling with a chaplain is “confidential” and held under the guidelines of privileged communication. An appointment is recommended, but “walk-ins” are always welcomed. Counseling may be arranged by calling the Chapel at (719) 556-4442 for an appointment. Emergency cases may be seen any time on a walk-in basis during duty hours or by calling the Command Post (719) 556-4555 after duty hours and asking for the Duty Chaplain.

### Weddings

Authorized holders of a valid Military ID card may be able to schedule the chapel for a wedding. The use of the Chapel wedding coordinator is required. You must initially meet with the wedding coordinator by appointment. The coordinator will ascertain your eligibility and guide you through the process. The availability of a Chaplain to officiate is very limited and may not be available.

### Ministry in Deployed Locations

When military personnel mobilize worldwide, Chaplain service personnel deploy also to provide worship opportunities, Bible studies, and spiritual and emotional counseling. Remaining Peterson Chaplains are available to help with family and emotional issues of deployment, reunion and reintegration.
